

Jagan's bio for MC announcement during CEO panel discussion.

*Jagan Srinivasan is currently the General Manager of Signify Commercial (Thailand) Ltd –the company formerly known as Philips Lighting.*

He joined as General Manager, Signify Commercial (Thailand) since 2020. Prior to coming to Thailand, Jagan's extensive career with the company spanning more than 2 decades has brought him across the globe with assignments in Singapore, Belgium, Netherlands and most recently Philippines as the Managing Director of Signify Philippines Inc. Earlier, Jagan has served as the chief-of-staff to the CEO at the Philips headquarters in the Netherlands, where he was responsible for performance management and drove multiple strategic cross-business initiatives globally. He is a Lighting expert who has overseen the market transition from conventional to LED lighting and in more recent times is spearheading the company's efforts to lead Lighting into an IoT world.
